

LaGrange Car Run

Saturday, March 29th

The members of San Jacinto Corvette Club have been invited to visit **John Burkland's** fantastic automobile collection in LaGrange. John will have over 140 of the finest cars ever built on display for us to enjoy. If you have not seen his collection, you are in for a real treat - he just added 10 more from the Barrett-Jackson auction. And, to top it off, he is also providing lunch for us!

We will meet at the **Exxon** station, exit **723 on I-10 W**, at **9:00 AM** and head out around **9:15AM**. It is a fun drive to LaGrange and Gordon will lead the way in his new C7.

All you need to bring is an empty bladder, empty stomach and a full tank of gas. Also, bring your CB radio if you have one.

Since John is feeding us, we will need a head count by **March 25th**.

Please RSVP to Gordon or Chip.
