

Following are the directions to our home at **6011 Cross Creek Harbor Lane, Fulshear, TX 77441**

Our community is on the corner of FM1093 and FM1463 (see <http://www.crosscreektexas.com/directions/>) and easiest way to get here is from I-10 West or West Park Toll way or Grand Parkway Rd 99. We are West of Houston, past Katy and Cinco Ranch.

Here is how to get around our subdivision (which is new and may not be on your GSS maps)

- a) If you are coming from I-10 West (taking the Pin Oak Road exit), you will be coming in on road FM 1463.

When you see the sign for the city of Fulshear on your right, soon afterwards turn right onto S Fry Road. If you passed 2 large water processing tanks on your right, you went too far (and you could continue to next intersection, take a right onto road 1093, and follow directions as described under point b).

After right turn onto S Fry Road, drive straight as far as you can. When you reach the 3-way intersection, (second stop light), turn left onto Cross Creek Band Lane. Now go to point c).

- b) If you are coming from the West Park Toll way (or from the I-10 West exit) Grand Parkway Rd 99, take road FM 1093 (West towards Fulshear).

When you cross the intersection of FM-1093/ FM-1463, immediately take turn right into our Cross Creek Ranch subdivision (heading to Fulshear). Please note the following directions are from the first entry to the subdivision, not the second entry (second main entry has waterfalls).

From FM 1093 turn right into Cross Creek Ranch subdivision, stay on Flewellen Way as long as you can. Then (you will see pond in front of you) take left turn into Cross Creek Band Ln. Now go to point c).

- c) On Cross Creek Band Ln drive across double bridge until you reach 4-way intersection (Lakeside sign on right). At stop sign turn right into Skycreek Crossing Lane and drive over the pond bridge. Go straight as long as you can, then on next T-intersection turn left into Sundance Creek Blvd and immediately afterwards turn right. We are the third house on the left. I will try to put out a sign or balloons, if I do not run out of time... If you get lost inside of the subdivision, my cell phone is (847) 980-6374 and I will pick you up from our community center (which has tall tower).
