**When:** Saturday, November 8, 2014  
**Meeting at:** Texaco – Intersection of I-10 & FM-563,  
Wallisville, TX 77514, (43 Miles East of Houston, Exit 810)  
**Time:** 9:00 AM, Wheels Turning at 9:30 AM

We are going to make a full day trip this year for the run. Lunch will be in Woodville at the Pickett House. It has been a few years since we have been back to the Pickett House and it will be a special treat to the newcomers in the crowd. The Pickett House features family dining. No menus. Just tons of good Southern style food brought right to your table and eat whatever catches your fancy. Come hungry. Go away full. The Pickett House also features the Heritage Village, a number of stores and museums on the grounds as well. If you are so inclined, they are worth the modest fee to walk through to see what they have now.

We are going to be traveling in and around the Big Thicket Preserve. The fall colors should be at their peak for our area. The weather should be perfect at that time of year for taking the tops off and doing some full blown cruising. Some of the roads are very rural and rough in spots and we will take them at moderate speeds. Enjoy them for what they are. Perfect pictures into the heart of Texas. Never fear, I have a number of highways picked out that should allow for some spirited driving the fall tour is famous for. For those who want to come back as a group. We will have a return trip planned leaving the Picket House as a group and will end in Cleveland, TX at the intersection of I-59 and TX 105. So come join us. What have you to lose? It is going to be fun in the sun on the Fall Foliage Run.

Please RSVP. We like to keep the restaurant apprised of our total head count. Contact us if you have any questions.
