

2015 SJCC Fall Foliage Drive and Eat Road Trip

When: Saturday, November 21, 2015
Meeting at: Love's Travel Stop – Intersection of
I-59 & FM-2025, Cleveland, TX 77328
Time: 9:00 AM, Wheels Turning at 9:30 AM

This will be a typical drive and eat. We will start in Cleveland Texas and wind up in Onalaska. We should travel about 110 miles with one or two pit stops. Lunch will be at Farm House on the Lake in Onalaska, Texas. This restaurant is right on Lake Livingston and features both outside and inside dining, your pick based on the weather. They have a good menu. Check them out on Face Book, Trip Advisor or Yelp. This will be the first time we have tried this restaurant as a large group since it changed hands again. Some of you might remember when we stopped here a number of years ago, it was called Bubba's on the Lake located within the KOA campgrounds at Onalaska.

We are going to be traveling in and around the Sam Houston National Forest and Lake Livingston. The fall colors should be at their peak for our area. The weather should be perfect at that time of year for taking the tops off and doing some full blown cruising. Some of the roads are very rural and rough in spots and we will take them at moderate speeds. Enjoy them for what they are. Perfect pictures into the heart of Texas. Never fear, I have a number of highways picked out that should allow for some spirited driving the fall tour is famous for. So come join us. What have you to lose? It is going to be fun in the sun on the Fall Foliage Run.

Please RSVP. We like to keep the restaurant apprised of our total head count. Contact us if you have any questions.
