

Aggie Koppe Wine Run

Join us **Saturday, September 23**, for a fun trip through fast and winding country roads to a great little restaurant in College Station that has won several awards for best burger. Then if you are not too full from lunch, we will head to a local winery where tours and tastings (for a small fee) are available to those interested. You're guaranteed to enjoy the run, even if you aren't an Aggie.
