Astronomers from the Johnson Space Center Astronomical Society

(<http://www.davidstestingground.com/index.htm>) bring their telescopes for you to enjoy the stars and planets (www.jscas.net) weather permitting.

Food Concessions are being offered in the unique setting of their winery. Wine may be purchased by the glass or bottle and they offer other non-alcoholic beverages as well.

Please RSVP so that I can plan for how many tables I place someone at to hold them. You may also bring folding chairs to sit among the telescopes.
